## PROJECT ABSTRACT

The purpose of this form is for UTDesign to obtain formal approval from sponsors to make certain information about each team's senior design project publicly available. This approval will cover project-specific information that may be posted on the program website and the use of recordings showing sponsor participation.

The project team should complete the Team Section below and then provide the form to their sponsor. The sponsor should check the appropriate boxes to indicate their preferences and then sign and date the form.

Sponsor: Project Title: Semester: Project Abstract (A 150 word or less description of the project for the website. It should describe the purpose of the project, the team's solution, and the key results or outcomes.):  Sponsor Section A representative of the sponsoring organization should check all of the following items as applicable to the above project.  UT Dallas is authorized to display the project title, sponsor, abstract, and poster on the UTDesign website. (If exceptions or modifications are required, please indicate what changes are required for approval to be granted.)  No information regarding this project is to be made publicly available.
